From rock 'n' roll attitude to seductive glamour – **BELLE LA DONNA** embodies the spirit of the great divas while giving it a distinctly modern edge. With her signature voice and magnetic stage presence, she brings together music, burlesque and performance in a style entirely her own – *sensual, bold, colourful, creative and unapologetically rock 'n' roll*. It is no surprise that **BELLE LA DONNA** has earned her place among the **GERMAN QUEENS OF BURLESQUE!**

A pioneer of Germany's modern burlesque movement, **BELLE LA DONNA** has built a reputation that reaches far beyond the German stage. Her television appearances include **NDR Talkshow, DAS ROTE SOFA, RTL Chart Show, DAS PERFEKTE PROMIDINNER**. She also appeared alongside **Jan Fedder** in the popular ARD production **DER HAFENPASTOR**. Her international credits range from the London **Burlesque Festival at the iconic Café de Paris** to the prestigious **ZDF Goldene Kamera Aftershow Party**.

In 2012, she joined forces with four fellow performers to create '**The Sinderellas**', the world's first burlesque show band, produced by **Warner Music**. Their acclaimed production '**Secrets & Sins**' went on to play 40 sold-out shows at Hamburg's legendary **Gruenspan**.

Throughout her career, **BELLE LA DONNA** has worked with renowned brands and venues including **Audi, Campari, TUI Cruises** and **Schmidts Tivoli**, as well as prominent names such as **Tim Mälzer, Peter Maffay, Armin Morbach** and **Cosma Shiva Hagen**.

Her distinctive aesthetic has also made her a sought-after fashion and pin-up personality. Her portfolio includes campaigns for **Ed Hardy** and **Audi A1** – alongside the **Kaulitz brothers** – as well as **BamS** and international photo shoots in New York.

Music has always been an essential part of **BELLE LA DONNA**'s creative world. Following the release of her EP **Heroins** in 2017, she began collaborating with producer **Eike Freese of Chameleon Studios Hamburg** in 2022. Singles including **Stolen Heart** and **Rabbit Hole**, followed by the album **Pink Rebel House**, ushered in a new chapter of her musical journey – brought to the stage with the **Pink Rebel House Tour**.

Beyond the stage, she hosts her podcast **Lipsticktalk**, where she explores *femininity, lifestyle, burlesque, mindset, spirituality and creativity*.

Her creative vision also extends into entrepreneurship and live production. In 2023/24, she launched her own New Year's Eve production, **Lunatic Circus**, at **Hamburg's Gruenspan**.

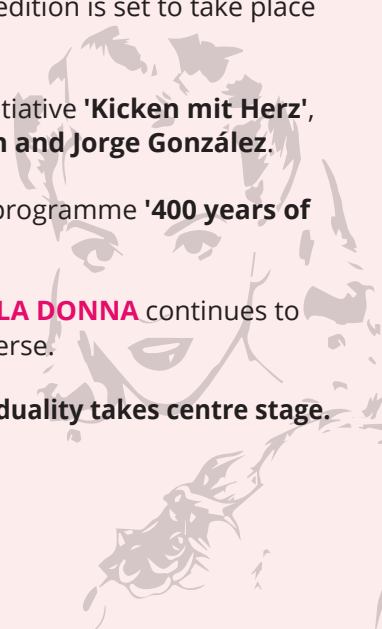

In 2025, **BELLE LA DONNA** founded the **International German Burlesque Festival**, bringing its inaugural edition to Hamburg and welcoming **Dita Von Teese** as the festival's Ambassador. The second edition is set to take place from **2-4 September 2027**.

Giving back is equally important to her. In 2026, she once again supports the charity initiative '**Kicken mit Herz**', alongside well-known personalities including **Tim Mälzer, Johannes Oerding, Elton** and **Jorge González**.

On **21st of August 2026**, **BELLE LA DONNA** joined the **NDR Talk Show** for its special programme '**400 years of Hamburg's legendary Reeperbahn**'.

Currently working on a new album and a range of upcoming creative projects, **BELLE LA DONNA** continues to evolve while remaining unmistakably true to her own artistic universe.

BELLE LA DONNA – where glamour meets rebellion, music meets burlesque, and individuality takes centre stage.
